

# And the 2016 Ambassador Club of the Year is.....

## Chicagoland Lionel Railroad Club New Lennox, IL

Great efforts have been made by all our 2015-2016 Lionel Club Ambassadors in sharing the "Magic of Trains," throughout this program. By earning 61 out of a possible 66 points we are excited to announce that the Chicagoland Lionel Railroad Club are our 2015-2016 Ambassador Club of the Year!

Lionel President Howard Hitchcock and myself will be making a trip to the club house in October to formally present the Ambassador Club Award.

I have enjoyed working with all of you who helped make the program successful in the relaunch of the Ambassador Program. It is because of train enthusiast like YOU that Lionel can continue to make greater strides in the industry and bring smiles to faces everywhere.

Second Place: Chicagoland  
Association of S Gaugers

Third Place: NJ Hi Railers
